

Wouldn't you like to be living at the photo on the left year round? Just think that you can own your very own piece of Lake Thunderbird for less than you think. How can you say no to the photo on the left?

Gone are the days of double digit returns from the the stock market. Now is the time to invest in real estate. With real estate you own something that is tangible verse pieces of paper which with some companies are now worthless. Lake Thunderbird is located only 2 hours southwest of Chicago. Just think in the time that it takes you to go from Northbrook to Orland Park you can be pulling into your driveway at Lake Thunderbird. Door County is 4 hours away. Michigan is at least 3 hours away. Lake Thunderbird is only 2. Yes, you are reading that correctly, only 2 hours! Why buy in Florida when you can buy at beautiful Lake Thunderbird and plus you won't have to worry about sharks! The lake itself has approximately 8 miles of shoreline with the average depth being 35 feet. Compare Lake Thunderbird to any other lake in the area and you will find that Lake Thunderbird is the winner! I invite you to come on down and see why Lake Thunderbird is the best lake in Illinois by far. If you would like more information send email to benjamin@lakethunderbird.com or phone 630.841.7880. See you on the lake!
